## Multifamily Performance Program for Existing Buildings

NYSERDA's Multifamily Performance Program (MPP) provides [incentives from \\$700-\\$3,500 per unit](#) for affordable multifamily property owners and managers to make improvements to help lower your building's ongoing operating costs

**Submit an application by December 31, 2020 to be eligible for the following limited-time program changes:**

<https://www.nyserda.ny.gov/All-Programs/Programs/MPP-Existing-Buildings>

## **Commercial Tenant Program**

*NYSERDA helps cover the cost of engaging qualified consultants to identify energy saving opportunities and to plan the implementation of energy efficiency measures in leased spaces.*

<https://www.nyserdera.ny.gov/All-Programs/Programs/Commercial-Tenant-Program>

## **Commercial Property Assessed Clean Energy (PACE) Financing Guidelines**

*PACE financing programs use authority given to a municipality to offer financing for property owners to fund energy efficiency and renewable energy projects on existing commercial structures.*

<https://www.nyserdera.ny.gov/All-Programs/Programs/Commercial-Property-Assessed-Clean-Energy>

## **Flexible Technical Assistance (FlexTech) Program**

*Effective June 15, 2020 through December 31, 2020, the FlexTech program will offer up to 100% study cost share for eligible customers. Completing an energy study of your building can help you identify and evaluate opportunities to reduce energy costs and incorporate clean energy into your capital planning. For details on eligibility visit:*
